

REMEMBER OUR SICK & SHUT-IN

The Sick and Shut-in are always in our thoughts as word about their condition continues to come to our attention. Thank God for the visitation of many of our Church Groups and Individual Members. In addition to visits from our members, our sick and shut-in need the personal visitation of God's healing power. So let us pray, as we think about our members and friends who would prefer to be at worship with us today.

Surely we believe God is able. They are as follows:
