

# 2024 is the Year of Going Deeper

I boldly and faithfully declare 2024 is my year of Going Deeper. Psalm 42:1-2 establishes a biblical standard to set the tone for this year.

This will be a year of “spiritual growth.” I will practice **discipline and devotion**. God will hear my prayers and see my commitment. Therefore, I am setting myself up to receive more of God.

Because I dare to **evolve**, I have the courage to let some people, places, and things go. I release the past. It is nothing compared to what God is going to do in my life. I fully embrace my God-ordained destiny. What God has for me, is for me!

Because God is close to those who call on him in truth, I vow to be **emotional** and unashamed. As I open my heart to God, I will become new. Bondages will be broken. Strongholds will be dismantled. And, generational curses will become blessings.

I have a **personal** relationship with God. My ear is tuned to hear the voice of God. Because our relationship is unique, I do NOT compare myself to other others. I do NOT covet what others have. I fully embrace the authenticity of my anointing.

God will observe my obedience. Therefore, my actions will position me for Godly **encounters**. God will show up unexpectedly. God will answer my prayers. God will fulfill my needs. God will bless me exceedingly abundantly above all I can ask or think.

I **reverence** God in all I do. My praises declare the goodness of God. I stand in awe of God's glory.

The Holy Spirit anoints me, my family, my church, and my kingdom leadership with the power to go deeper. This year, we will be transformed!

To God be the Glory, Hallelujah and Amen.
